

BEAUFORT, SOUTH CAROLINA

Dataw Island

Lined with quintessential Southern moss-draped oaks and palm trees, the scenic drive over Dataw Island's bridge and causeway often elicit a collective exhale of relaxation. While indeed the entrance is a charmer, it's truly just a hint of what you will find inside the gates of this private, gated community. A full service marina, championship golf, Har-Tru tennis courts, pickleball, bocce, croquet, nature preserve with dog run, and several water-based activities keep members active.

Those more inclined toward the social aspects of living will enjoy Dataw's 50+ clubs and organizations, outnumbered only by the community organizations for which members volunteer. On-site art and yoga studios, community gardens and docks, indoor and outdoor pools, and kayak launches are included in their impressive line-up of amenities. Honored with a Bliss Award for philanthropy, members also actively contribute their talents and time in the local community. Shortlist Dataw Island and explore what locals call the "best kept secret" in the Lowcountry.
